

You Can Pay Retail Prices for Amsoil

Or Buy At Wholesale... Which Do You Prefer?

The AMSOIL Preferred Customer Program

AMSOIL Preferred Customers purchase AMSOIL products at wholesale cost, without the responsibilities of owning a Dealership. It's kind of like a Sam's Club membership. Great wholesale prices on AMSOIL products and no BS.

Preferred Customer Memberships are recommended for people who are not necessarily interested in the business opportunity, but want the lowest possible prices on the best lubrication and filtration products for their vehicles and equipment. Preferred Customers pay the same low prices for AMSOIL products that AMSOIL Dealers pay.

Ten dollars gets you a six-month trial Preferred Customer membership for buying AMSOIL products at wholesale prices. Here is what Preferred Customers get:

- + Complete color catalogs on all of Amsoil's products.
- + Manual on how to order Amsoil right to your door.
- + Subscription to the Amsoil Action News magazine.
- + Wholesale price sheet.
- + Technical information and maintenance help (talk to a real person)

Preferred Customers buy AMSOIL products at wholesale prices. **The discount price is 15-20% less than regular retail prices.** If you buy \$100.00 of AMSOIL products a year, a Preferred Customer membership will save you money.

Become an Amsoil Dealer and Start Down the Road to Financial Freedom.

As an Amsoil Dealer you can register other dealers and accounts and earn commissions on what they buy as well as what you buy. You also keep the retail profit from your own sales. You can effectively earn 40-50% or more on Amsoil. It's pretty hard to do that with any other product let alone oil.

To become a dealer, just fill out the dealer part of the application and send it in along with your payment. You **DO NOT** need a sales tax number. If you have one, go ahead and put it on the application. If you don't, AMSOIL will collect sales tax on your behalf. When ordering, just let them know if it's for personal use or if you are selling at retail. When and if you decide to get a tax number just submit it to AMSOIL.

You will need to add your Social Security Number to the application because you will receive checks from Amsoil. You are not an employee of Amsoil - you are an independent dealer. This entitles you to tax write-offs and other home business advantages. See a tax expert in your area for all the details. Just remember that the tax code is written for the small business person and that there are a lot of parts of the tax code that will apply to you now as a business owner. You just need to find out about them.
